

QUALITY COUNTS CAREER CENTER

PLEASE POST

June 15, 2010

For Dissemination Purposes

The Quality Counts Career Center will be accepting scholarship applications for the Fall 2010 semester from:

June 16th thru August the 6th

Directors and teachers interested in pursuing their education in the Fall need to submit to their Career Advisor a scholarship application (can be obtained from your CA) and a class registration according to set educational goals.

- ❖ Please register early as classes tend to get filled very quickly
- ❖ Teachers can register at Miami Dade College (MDC) in person or on-line if they have their MDC ID number

Directors please contact your Career Advisor to set an appointment.

- Your Career Advisor will be asking you to complete a "*Permission to MDC to Release Transcript*" form". An Award Letter will be sent once the scholarship is approved.

**** Please note that the last day to accept scholarship applications for classes starting in the Fall is August the 6th!**

- ✚ First day of class at MDC starts the week of August 23rd
- ✚ No one is to start a class if an Award Letter has not been received. If this is the case teachers need to drop from the class within the MDC allowed drop-off time to avoid any financial obligation!
- ✚ Class schedules being submitted need to be given to the Career Advisor two weeks prior to PAY BY DATE as shown on the schedule.
